

Cunningham's Logging Teams on Eungella Flat Early 1920s

It is fascinating to think that last weekend's CREDITON Vs DALRYMPLE Cricket match was played on our Eungella Oval on the very spot where these teams stood about 90 years ago

Nellie West (daughter of John & Ivy Cunningham, Neil Cunninghams grandparents) said that this
"Cunningham's Bullock team was the first team to pull logs at Eungella.
The building is the Main Road's house on the edge. The Goode's lived there. It was drought time."
John Cunningham was often referred to as 'Jack', although he had a brother Jack,
referred to as 'Jacky' who spent some time in this area.
